ROMANCE IN THE CITY

At Renaissance we believe romance is more than just an idea. It's a real place with a real name. It's your day.

It all starts here at the landmark historic Koepelkerk in the heart of romantic Amsterdam, where the wedding of your dreams comes to life amidst 5-star service, meticulous attention to detail and irresistible cuisine.

Just steps away from the Jordaan and many of the city's attractions, your guests will be amazed by the serenity of this city centre location.

The wedding of a lifetime

MORE THAN A SPACE

Discover a wedding experience beyond your expectations and dreams.

The unique 17th century domed monument, the Koepelkerk, features nearly 1,000 square meters of flexible event space, which can be tailored to your wishes.

With a sweeping 450 square meters Koepelroom, complete with Bätz organ and domed ceiling, there is no more grand venue for an intimate cocktail reception, a talk-of-the-town wedding for 400 or an exclusive gala dinner. The Koepelkerk is also an official wedding location.

Anything is possible in this space, whether you are looking for a cultural, traditional or modern wedding. We will create a personal expression of love.

A taste of Excellence

IRRESISTIBLE TEMPTATIONS

On this day, the most romantic of all, every last detail makes a difference, including the drinks and food. Every corner of the world has inspired the expertise and creativity of our Executive Chef, so whether you are looking for a traditional tone or a modern twist, your menu will be a delicious and personalized experience which will impress your family and friends.

Your rehearsal dinner will be the beginning of your wedding festivities and a wonderful way to preview your menu. Your personal wedding planner and Executive Chef will join you to talk through all the details so you can relax before your special day.

To organize the entire day you can choose one of our tailored Weddings by Renaissance packages for a unique and complete experience.
